5412ESQT302406THI-RS		0	16

An isometric line drawing of a rectangular plate. The plate is oriented diagonally. It features two circular holes, one near each end. On the left end, there is a semi-circular notch cut into the side. On the right end, there is a small rectangular tab protruding from the side. The drawing uses three lines to represent the 3D object: a top edge, a bottom edge, and a receding edge.
